ABOUT

The Perfect Statement

@thepperfectstatement is young but feisty.

Fuelled by a passion for greater things, we seek to make the journey as memorable as the end product. We distinguish ourselves by making each shoot an unique experience for both you and the photographer.

Pose and smile? Ditch that.

Look here and say cheese? Ditch that.

Our time together is precious, and we enjoy making full use of it by engaging in meaningful conversations. By employing such a non-conventional approach, we are able capture emotions in their raw, and most genuine form.

One shoot, 'x' smiles, and priceless memories.

Will you come on this journey with us in helping you create The Perfect Statement of your memories?

Introducing
the team

Clara Tan,
Lead

Clara is the founder of The Perfect Statement and started TPS in 2016.

“I’ve been in the art scene since 2008, and my philosophy in photography is not just about taking photos but also about helping my clients get to know each other better. I know the photos taken will help them remember the beautiful memories they share.”

My extroverted and energetic personality helps my clients feel comfortable in front of the camera. During a shoot, I channel all my energy into the surroundings, creating a more exciting atmosphere.”

Introducing
the team

Lee Wei Yang,
Senior Associate

**Wei Yang has been shooting since 2016
and joined TPS in 2021.**

“I grew to love photography as I was fascinated by how it could capture raw emotions and make stories out of these fleeting moments. As a visual storyteller, photography allows me to connect with my clients and capture their moments so they will be able to relive the fond memories they have experienced.”

With a sociable personality, I am able to liven up the environment to help them feel at ease when posing for photos.”

Charis
Junior Associate

**Charis has been shooting since 2021
and joined TPS in 2023.**

“Photography has always been something I’ve been meaning to explore because of the sentimentality behind it. Growing up, my dad used to take many pictures of me during my childhood days and these photographs serve as beautiful reminders, preserving these memories for me to remember even as life goes on.”

I hope to be able to do the same for my clients in capturing these fond memories while feeling comfortable with my warm personality during the shoots.”

100 stars out of 5. Exceeds expectations. Clara is the one and only photographer I'd need in this lifetime. She's been with me since my 21st Birthday, to my Graduation, and I'll definitely want her to be there for my wedding and every other eventful milestone in my life. Pictures are the memories that won't ever fade away! A great photographer is an artist that captures a shot that allows you to be reminiscent of every feeling from that time and Clara is the girl for it! She's a beautiful and hardworking mom to one, and her energy is ever radiant and powerful! She's worth every penny, you won't regret it! Trust me! In doubt just look at the photos! All my family members loved her so much! She engages the subjects and helps us to look prettier, smarter, thinner too! HAHA!

Had a family/ graduation photoshoot with Wei Yang from TPS and we all had such a fun enjoyable time! He was great at directing us and making my fam feel comfortable, he was very patient with us even though it was such a hot morning. The photos turned out beautifully and we love them. Thank you TPS team! :)

Charis was the photographer for our daughter's 1st birthday. She was professional, amicable, and proactive. Not only did she photograph key moments of the celebration, she also managed to capture intimate snapshots of the party that we would have otherwise missed.

She also helped a lot with providing shot ideas, being hands-on with the arranging of props and people, and generally being easy to converse with.

We would definitely recommend her!
